PBC® HEADLINES

Volume 28

Number 2

Fall/Winter 2021

WHERE ALL THE NEWS IS GOOD BREWS

Beer is living proof that God loves us and wants to see us happy.
.....Benjamin Franklin

As this fall menu goes to print, we are reminded that Prescott Brewing Company is currently towards the end of year 27, since we founded in March of 1994. Through good times and bad times, great economies and recessions, we are survivors.

As the founders, we can only attribute our survival to the thousands (maybe even millions???) of people who have made it possible....those who have walked through the front doors, and continue to do so. And...those who have been here day to day, night to night, week to week and some...months and/or years by years. It's those who have walked through the back doors, punched in and put their pedals to the metal in the creation of the thousands of meals and beers our guests have enjoyed.

With that said, we continue to love what we do, even throughout the "plague" that has affected so many peoples' lives in so many difficult ways. Seeing our guests' smiles, sharing a good time with their friends and families here at PBC, providing employment for those who have themselves and families to feed and care for...has been so very rewarding, and our thanks go out to all who have contributed to PBC's tenure.

John and Roxane Nielsen, Owners
